Notes to Registration of Interest Forms

Who should fill in this form?

This Registration of Interests form should be filled in at the start of each financial year by all employees of the Children's Commissioner's Office, and members of the Children's Commissioner Advisory Board and the Audit and Risk Committee. It should be returned to Lyn Foster, Business Support Advisor. Members should notify the Children's Commissioner of any changes to their registered information which occur during the year.

The Registration of Interests forms for the Children's Commissioner's Senior Management Team, members of the Advisory Board and the Audit and Risk Committee are published on our website.

Which interest should be included in the register?

IT is not possible to give an exhaustive list of the types of interest which need to be registered. However, we can say that the following should definitely be included:

- Remunerated or unremunerated positions in other bodies, either public, charitable or private
- Membership of political parties, campaigning organisations, or charities
- Membership of governing bodies or advisory committees – school governorships, audit and risk committees.
- Financial interests in registered companies
- Other relationships which might be of interest in relation to your role at the Children's Commissioner's office.
